

## Visual Literacy

**“All of us are watchers – of television, of time clocks, of traffic on the freeway – but few of us are observers. Everyone is looking, not many are seeing.”**

*Peter M. Leschak*

**“The image survives... and becomes the remembered reality.”**

*John Szarkowski, Director of Photography Department  
Museum of Modern Art, New York*

**“In today’s climate in our country, which is sickened with the pollution of pollution, threatened with the prominence of AIDS, riddled with burgeoning racism, rife with growing huddles of the homeless, we need art and we need art in all forms. We need all methods of the art to be present, everywhere present, and all the time present.”**

*Maya Angelou*

**“If you read a lot of books you are considered well read. But if you watch a lot of TV, you are not considered well viewed.”**

*Lily Tomlin*
